## Bergsig Icarus Red 2020

*Opulent plums, black cherries,  
cigar box and vanilla*

### **Tasting notes:**

Cabernet Sauvignon and Touriga Nacional in perfect harmony. Opulent plums and black cherries with cigar box and vanilla notes. Vibrant and elegant with beautiful weight and length, leaving you with a lasting impression.

### **Analysis:**

Alc.: 14.35%  
RS: 2.9 g/l  
TA: 6.7 g/l  
pH: 3.26

### **Vinification:**

This exceptional blend is a pick of the best Cabernet Sauvignon, Touriga Nacional and Merlot barrels. Matured in 300 Litre French and American oak barrels for 24 months.

### **Terroir:**

Mediterranean climate with annual rainfall of approximately 1000mm. The Estate is located on the upper slopes of the Breede River Valley at 240 – 350m above sea level. Cold winters with snow until late Spring, resulting in slow ripening. Harvest usually starts 2 – 3 weeks later than the rest of the country. Significant variation in diurnal temperature occurs in our region, with good sugar development during the warmer days while the drop in temperature at night preserves the balance of natural acids in the grapes. The soil is defined by a major geological fault, the Worcester Fault, which runs through the valley. Hills are composed of weathered sandstone and the valley floor is sedimented by a diversity of soil parent materials

### **Awards:**

Veritas 2022  
Paltter's Wine Guide 2023

Silver  
4 ½ Star
