

# Welcome

*Welcome to Bergsig Bistro, situated at the foot of  
Bain's Kloof Pass!*

*You have taken the road less travelled and we hope it  
will make all the difference. Here, all patrons are  
treated like extended family and we therefore invite  
you to sit back, relax and enjoy our homemade food  
and handcrafted wines.*

*Bergsig Bistro offers fresh, rustic and honest food.  
We have a small kitchen and bake all our own breads  
and pastries.*
